

Financial Policy

Financial Policy

As validated by my signature on the bottom of this form, I understand and agree that:

All patient balances are due immediately upon treatment completion. Please ask us if you are interested in learning about third party financing, which may allow you to finance your treatment in low monthly payments.

A credit card or debit card on file is required for us to file a courtesy insurance claim on your behalf and wait for

an estimated payment or denial from your plan. Please give your dental insurance card and credit/debit card to

the Patient Coordinator at the Front Desk.

If you prefer not to allow secure storage of a payment method on file by our payment processor, then you may

pay in full on the day of service, and we will assist you with filing for direct reimbursement from your insurance

company.

Should a balance accrue on the account a statement will be sent and payment is to be made, in full, by the date on the statement. If payment is not paid within 30 days interest may be applied to the entire account balance. A revised statement with the new account balance, payable immediately, will be sent.

A returned check fee may also be applied and must be payable from you for each check payment returned to us by your bank.

Dental insurance is a contract between the patient, their employer (if applicable) and the insurance provider.

Submitting claims for payment to the insurance provider is a courtesy provided by the dentist, not an obligation.

Ultimately, I am responsible for any treatment that is unpaid by the insurance provider and the card left on file

will be charged for that amount.

If there is dental insurance on the account, I understand that the clinic has established the patient balance based on the information I have provided. Final treatment payment is subject to the terms and conditions of my insurance

provider on the date of service. As such, until payment is received from my insurance provider, **no patient payment is**

final.

Estimates and treatment plans are based upon information gained from the examination. As with any dental treatment, there may be unforeseen treatment adjustments and/or complications. This is a preliminary estimate only and lab charges (if applicable) have been estimated and included total.

Estimates do not take into consideration any money that was billed toward my financial maximum or treatment limits that may have been used at other dental clinics.

As with any dental treatment, there may be unforeseen treatment adjustments and/or complications. The clinic will make an effort to anticipate any changes in the treatment plan and advise me at that time. However, such events are unpredictable. Likewise, the timing or spacing of appointments may need to be modified as needed to accomplish the best result possible.

The clinic will make every effort to accommodate my scheduling needs.

I have read, understand and agree to the above financial policy for payment of professional fees. I understand that I am ultimately responsible for all fees for services rendered to me and/or my family.
